TO WHOM IT MAY CONCERN

This is to certify that FUN SUN INTERNATIONAL WEAR has been performing Swimmwear Fashion Shows at the Hotel Riu Rincón Andaluz during the summer seasons 2002 and 2003.

Splendid fashion for all ages has been always presented in a very professional manner at the pool area. The co-operation with the Management and the staff of the Hotel has been excellent.

The guests never had the feeling being obliged to buy cloths, but have been guided in a very friendly way. Not even one single time guests complained. On the country I got a lot of congratulations from their side.

The Show was a fixed high light during our weekly activities.

We do not hesitate in recommending this fabulous Show to other Hotels, waiting for the next season to come.

Sincerely,

Michael Landmesser
